RESEARCH EXPERIENCE

University of California, Santa Barbara **Santa Barbara, USA**
Research Assistant 2024

- Conducted comprehensive research on German corporate tax law to establish institutional context for empirical analysis, focusing on differential tax treatment across corporate structures
- Compiled and synthesized legal statutes, tax code provisions, and regulatory frameworks to compare tax treatment across jurisdiction types

University of Edinburgh **Kuala Lumpur, Malaysia**
Research Assistant September 2018 - January 2019

- Literature review on Islamic Banking, structural differences between the Malaysian financial market and its western equivalents
- Contributed to empirical analysis of financial performance of Islamic Banks based on ROA, ROE etc
- Assisted in organisation of field trip to Malaysia, held meetings with Maybank and the World Bank

TEACHING & MENTORING

UC Santa Barbara **Santa Barbara, USA**
Teaching Assistant October 2024 – Present

- Led weekly discussion sections for 60-100 students per quarter across courses by relating course material to real-world examples through interactive sessions emphasizing critical thinking and fostering inclusive participation
- Created novel learning tools, including a DCF valuation model as an example of a real-world work product students may be expected to create; an AI exercise enabling self-directed exam practice and personalized feedback, and a game-based simulation enabling students to build intuition on abstract economic concepts like production functions and returns to scale

UC Santa Barbara **Santa Barbara, USA**
Mentor to 1st Year PhD Students Sept 2025 - Present

- Mentored Students: Haozhou Yang

Student Investment Fund (EUTIC) **Edinburgh, Scotland**
Student instructor September 2017 – May 2019

- Trained 80 sector members in weekly meetings on equity valuation techniques, industry analysis, and risk management; guided members towards producing analyst reports
- Introduced Personal Finance series to educate members on stock screening and personal investing
